## **GENERAL PROVISIONS**

### ***WHAT IS THE CERTIFICATE OF COVERAGE?***

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

### ***WHEN ARE YOU ELIGIBLE FOR COVERAGE?***

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

### ***WHEN DOES YOUR COVERAGE BEGIN?***

These plans provide different benefit options. At initial enrollment you may apply for any option or elect not to enroll for STD and/or Buy-up LTD coverage, however, you cannot be covered under more than one option under each plan at a time.

#### **For the Short Term Disability plan:**

These plans provide different benefit options. You pay the cost of your coverage under any option other than Option A. At initial enrollment, you may apply for any option or elect not to enroll for coverage (Option A). If you became eligible for coverage prior to 7/1/2012 and you have not applied for any option, you automatically fall under Option A, no coverage. If you become eligible for coverage on or after July 1, 2012 and submit your completed enrollment form to your Employer within 30 days of becoming eligible, you will automatically fall under Option B unless you elect a different option or opt out of coverage. If you do not opt out, you will be covered at 12:01 a.m. on the first of the month coincident with or next following the date you are eligible for coverage. You cannot be covered under more than one option under each plan at a time.

#### **For the Long Term Disability plan:**

Your Employer pays 100% of the cost of your coverage for Option A. If you don't apply for any other option you will automatically be covered under Option A at 12:01 a.m. on the date you are eligible for coverage. If you apply for any other option, you will be covered at 12:01 a.m. on the first of the month coincident with or next following the date you are eligible for coverage, if you apply for insurance within 30 days of becoming eligible.

**WHEN CAN YOU APPLY FOR COVERAGE IF YOU DECLINED COVERAGE WHEN YOU FIRST BECAME ELIGIBLE OR IF YOU VOLUNTARILY CANCELLED YOUR COVERAGE AND ARE REAPPLYING?**

**For the Short Term Disability Plan:**

You can apply for coverage only during an annual enrollment period or within 30 days of a qualified change in status.

Unum and your Employer determine when the annual enrollment period begins and ends. Your coverage will begin at 12:01 a.m. on the first day of the next plan year.

Changes in coverage due to a qualified change in status will begin at 12:01 a.m. on the first of the month following or coinciding with the qualified change in status.

**WHEN CAN YOU CHANGE YOUR COVERAGE BY CHOOSING ANOTHER OPTION?**

**For the Short Term Disability plan:**

You can change your coverage by applying for a different option during an annual enrollment period or within 30 days of a qualified change in status. You can increase your coverage or decrease your coverage.

Unum and your Employer determine when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the first day of the next plan year.

Changes in coverage due to a qualified change in status will begin at 12:01 a.m. on the first of the month following or coinciding with the qualified change in status.

Changes in coverage must be appropriate and consistent with the qualified change in status.

If your benefit coverage ends due to termination of employment, reduction in hours, or unpaid leave of absence, and you are rehired within 90 days, within the same plan year, you will be insured on your eligibility date for the coverage that you had under the plan when you ended employment. You cannot change your coverage until the next annual enrollment period or qualified change in status.

**For the Long Term Disability plan:**

You can change your coverage by applying for a different option only during an annual enrollment period or within 30 days of a qualified change in status. For those of you who are eligible, you can increase your coverage by one level or decrease your coverage by two levels.

Unum and your Employer determine when the annual enrollment period begins and ends. Your coverage will begin at 12:01 a.m. on the first day of the next plan year.

A change in coverage due to a qualified change in status will begin at 12:01 a.m. on the later of:

- the date of the qualified change in status, if you apply on or before that date; or

- the date you apply, if you apply within 30 days after the date of the qualified change in status.

Changes in coverage must be consistent with the qualified change in status.

If your benefit coverage ends due to termination of employment, reduction in hours, or unpaid leave of absence, and you are rehired within 90 days within the same plan year, you will be insured on your eligibility date for the coverage that you had under the plan when you ended employment. You cannot change your coverage until the next qualified change in status.

### ***WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?***

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

### ***ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?***

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

If you are on a leave of absence due to a condition that is covered by worker's compensation, and if premium is paid, you will be covered through the end of the month following 6 months from the date your leave of absence begins.

### ***WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?***

Once your coverage begins, any increased or additional coverage due to a change in your weekly/monthly earnings or due to a plan change requested by your Employer will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

### ***WHEN DOES YOUR COVERAGE END?***

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

***WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?***

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

***HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?***

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

***DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?***

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

***DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?***

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

## SHORT TERM DISABILITY

### BENEFIT INFORMATION

#### ***HOW DOES UNUM DEFINE DISABILITY?***

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness** or **injury**; and
- you have a 20% or more loss in weekly earnings due to the same sickness or injury.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

#### ***HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?***

##### *OPTION A*

No Coverage

##### *OPTION B*

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 44 days.

If your disability is the result of a sickness, your elimination period is 44 days.

##### *OPTION C*

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 30 days.

If your disability is the result of a sickness, your elimination period is 30 days.

##### *OPTION D*

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 14 days.

If your disability is the result of a sickness, your elimination period is 14 days.

## ***CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?***

Yes, provided you meet the definition of disability.

## ***WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?***

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment weekly for any period for which Unum is liable.

After the elimination period, if you are disabled for less than 1 week, we will send you 1/7th of your payment for each day of disability.

## ***HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?***

We will follow this process to figure your payment:

### ***OPTION A***

No Coverage

### ***OPTION B***

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$500.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

### ***OPTION C***

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$500.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

### ***OPTION D***

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$500.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

## **WHAT ARE YOUR WEEKLY EARNINGS?**

"Weekly Earnings" means the average salary determined from your employment agreement with your Employer. The annual salary will be divided by the number of weeks you work annually, as defined by your Employer. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay or any other extra compensation, or income received from sources other than your Employer. No benefits will be paid for any period in which you are not contracted to receive earnings from your Employer.

## **WHAT WILL WE USE FOR WEEKLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?**

If you become disabled while you are on a covered layoff or leave of absence, we will use your weekly earnings from your Employer in effect just prior to the date your absence begins.

## **HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?**

We will send you the weekly payment if you are disabled and your weekly disability earnings, if any, are less than 20% of your weekly earnings.

If you are disabled and your weekly **disability earnings** are from 20% through 80% of your weekly earnings, you will receive payments based on the percentage of income you are losing due to your disability. We will follow this process to figure your payment:

1. Subtract your disability earnings from your weekly earnings.
2. Divide the answer in Item 1 by your weekly earnings. This is your percentage of lost earnings.
3. Multiply your weekly payment as shown above by the answer in Item 2.

This is the amount Unum will pay you for each week.

Unum may require you to send proof of your disability earnings each week. We will adjust your weekly payment based on your disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

## **HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?**

If your disability earnings routinely fluctuate widely from week to week, Unum will average your disability earnings over the most recent 3 weeks to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 weeks exceeds 80% of weekly earnings.

We will not pay you for any week during which disability earnings exceed 80% of weekly earnings.

### **WHAT ARE DEDUCTIBLE SOURCES OF INCOME?**

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive as disability income payments under any:
  - state compulsory benefit **act** or **law**.
  - automobile liability insurance policy.
  - other group insurance plan.
2. The amount that you receive:
  - under a **salary continuation** or **accumulated sick leave** plan, excluding any donated or shared time.
  - under Title 46, United States Code Section 688 (The Jones Act).
  - from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.
3. The amount that you:
  - receive as disability payments under your Employer's **retirement plan**.
  - voluntarily elect to receive as retirement payments under your Employer's retirement plan.
  - receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

Unum will only subtract deductible sources of income which are payable as a result of the same disability.

If salary continuation payments plus the gross disability benefit and disability earnings exceed 100% of your monthly earnings, we will subtract the amount in excess of 100% from your benefit.

### **WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?**

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans

### **WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)**

The minimum weekly payment is: \$25.

Unum may apply this amount toward an outstanding overpayment.

### **WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?**

When we determine that you may qualify for benefits under Item(s) 1 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Short Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or

- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a weekly basis to the end of the maximum period of payment.

### **HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?**

#### *OPTION A*

No Coverage

#### *OPTION B*

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 7 weeks during a continuous period of disability.

#### *OPTION C*

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 9 weeks during a continuous period of disability.

#### *OPTION D*

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 11 weeks during a continuous period of disability.

### **WHEN WILL PAYMENTS STOP?**

We will stop sending you payments and your claim will end on the earliest of the following:

- when you are able to work in your regular occupation on a **part-time basis** but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan;
- the date you fail to submit proof of continuing disability;
- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

### **WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- **occupational sickness or injury**, however, Unum will cover disabilities due to occupational sicknesses or injuries for partners or sole proprietors who cannot be covered by a workers' compensation law.

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted under state or federal law.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

### **WHAT IS A PRE-EXISTING CONDITION?**

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

In addition, this plan will not cover an increase in your coverage made at an annual enrollment period or change in status if you have a pre-existing condition. You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to the date your coverage increased; and
- the disability begins in the first 12 months after your coverage increased.

### **WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?**

1. If your current disability is related to or due to the same cause(s) as your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for 14 consecutive days or less.

If you return to work on the 15th day, your current disability will be treated as a new claim. The new claim will be subject to all of the provisions of this plan and you will be required to satisfy a new elimination period.

2. If your current disability is unrelated to your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for less than 1 full day.

Your disability, as outlined above, will be subject to the same terms of the plan as your prior claim.

If you do not satisfy Item 1 or 2 above, your disability will be treated as a new claim and will be subject to all of the policy provisions.

If you become entitled to payments under any other group short term disability plan, you will not be eligible for payments under the Unum plan.

***IN WHAT WAYS CAN UNUM HELP YOU AND YOUR EMPLOYER PREVENT A DISABILITY OR HELP YOU RETURN TO WORK?***

## LONG TERM DISABILITY

### BENEFIT INFORMATION

#### ***HOW DOES UNUM DEFINE DISABILITY?***

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness or injury**; and
- you have a 20% or more loss in your **indexed monthly earnings** due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by education, training or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

#### ***HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?***

You must be continuously disabled through your **elimination period**. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the later of:

- 90 days; or
- the date your insured Short Term Disability payments end, if applicable.

#### ***CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?***

Yes, provided you meet the definition of disability.

#### ***WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?***

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

## **HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?**

We will follow this process to figure your payment:

### **OPTION A**

1. Multiply your monthly earnings by 50%.
2. The maximum **monthly benefit** is \$4,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

### **OPTION B**

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$6,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

### **OPTION C**

1. Multiply your monthly earnings by 66.6667%.
2. The maximum **monthly benefit** is \$6,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

## **WHAT ARE YOUR MONTHLY EARNINGS?**

"Monthly Earnings" means your gross monthly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation, or income received from sources other than your Employer.

## **WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?**

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

## **HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?**

We will send you the monthly payment if you are disabled and your monthly **disability earnings**, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are 20% or more of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

During the first 24 months of disability payments, if your monthly disability earnings exceed 80% of your indexed monthly earnings, Unum will stop sending you payments and your claim will end.

Beyond 24 months of disability payments, if your monthly disability earnings exceed the gross disability payment, Unum will stop sending you payments and your claim will end.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

## **HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?**

If your disability earnings routinely fluctuate widely from month to month, Unum will average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless:

- During the first 24 months of disability payments, the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings; or
- Beyond 24 months of disability payments, the average of your disability earnings from the last 3 months exceeds the gross disability payment.

We will not pay you for any month during which disability earnings exceed the amount allowable under the plan.

## **WHAT ARE DEDUCTIBLE SOURCES OF INCOME?**

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
  - a workers' compensation law.
  - an occupational disease law.
  - any other **act** or **law** with similar intent.
2. The amount that you receive or are entitled to receive as disability income payments under any:
  - state compulsory benefit **act** or **law**.
  - other group insurance plan.
  - governmental retirement system as a result of your job with your Employer.
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
  - the United States Social Security Act.
  - the Canada Pension **Plan**.
  - the Quebec Pension Plan.
  - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
  - the United States Social Security Act.
  - the Canada Pension Plan.
  - the Quebec Pension Plan.
  - any similar plan or act.
5. The amount that you:
  - receive as disability payments under your Employer's **retirement plan**.

- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).
7. The amount that you receive under the mandatory portion of any "no fault" motor vehicle **plan**.
8. The amount that you receive under a **salary continuation** plan or **accumulated sick leave** plan, excluding any donated or shared time.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

If salary continuation payments plus the gross disability benefit and disability earnings exceed 100% of your monthly earnings, we will subtract the amount in excess of 100% from your benefit.

### **WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?**

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners

- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans

**WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)**

The minimum monthly payment is the greater of:

- \$100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

**WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?**

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

**WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?**

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

### **HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?**

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<u>Age at Disability</u>	<u>Maximum Period of Payment</u>
Less than age 60	To age 65, but not less than 5 years
Age 60	60 months
Age 61	48 months
Age 62	42 months
Age 63	36 months
Age 64	30 months
Age 65	24 months
Age 66	21 months
Age 67	18 months
Age 68	15 months
Age 69 and over	12 months

### **WHEN WILL PAYMENTS STOP?**

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a **part-time basis** but you choose not to;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan;
- the date you fail to submit proof of continuing disability;
- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

### **WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?**

Disabilities due to **mental illness** have a limited pay period up to 24 months.

Unum will continue to send you payments beyond the 24 month period if you meet one or both of these conditions:

1. If you are confined to a **hospital or institution** at the end of the 24 month period, Unum will continue to send you payments during your confinement.

If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that

additional confinement and for one additional recovery period up to 90 more days.

2. In addition to Item 1, if, after the 24 month period for which you have received payments, you continue to be disabled and subsequently become confined to a hospital or institution for at least 14 days in a row, Unum will send payments during the length of the reconfinement.

Unum will not pay beyond the limited pay period as indicated above, or the maximum period of payment, whichever occurs first.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer's disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

### ***WHAT IS A PRE-EXISTING CONDITION?***

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and

In addition, this plan will not cover an increase in your coverage made at an annual enrollment period or change in status if you have a pre-existing condition. You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to the date your coverage increased; and
- the disability begins in the first 12 months after your coverage increased.

***WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?***

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months of the end of your prior claim.

Your recurrent disability will be subject to the same terms of this plan as your prior claim.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

- your disability had continued for 180 or more consecutive days; and

## **ADDITIONAL SUMMARY PLAN DESCRIPTION INFORMATION**

### **APPLICABILITY OF ERISA**

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

### **HOW TO FILE A CLAIM**

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

### **CLAIMS PROCEDURES**

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

## **APPEAL PROCEDURES**

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

## **OTHER RIGHTS**

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

**Addendum to the "Additional Summary Plan Description Information"  
included with your certificate of coverage or policy  
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).
