This helpline offers real-time, one-on-one help and troubleshooting.

¹These features are available when you get care at Kaiser Permanente facilities. To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on kp.org. ²If you travel out of state, phone appointments and video visits may not be available due to state laws that prevent doctors from providing care across state lines. Laws differ by state. To have a video visit, members must be registered on kp.org and have a camera-equipped computer or mobile device.
